

**Driving Directions to New P-O Football Field, Philipsburg ~
From Clearfield travel US 322 to Philipsburg. When 322 turns
left toward State College (at Weis Market) continue straight
ahead through town on PA 350 as though going to Tyrone.
At just over a mile 350 bends right toward Tyrone and at this
point turn left on School Street. Follow School St. for a couple
blocks (1/4 mile) and turn left. As soon as you make this turn
the high school is visible just ahead.**

**The new football stadium is actually below the school to your
left and at this point I don't know about parking choices. There
is plenty of parking in the school lot to your right but will
require a bit of a walk to reach the new field. There is a new lot
just above the Softball field but I don't think there's an
abundance of spots there if it is even open.
(The google map doesn't seem to be entirely up to date.)**

**The entire trip is only about 18 miles but keep in mind
the traffic congestion on 322 and in Philipsburg on a
typical Friday evening, let alone a Football Friday.
It wouldn't hurt to allow thirty minutes or more.**
