actual number of games played that year because many seasons include a game or two with non-traditional opponents, e.g. "Hamburg" or "Riverdale Baptist"

Many of the entries above show the Bison playing the same team twice in the same season and In the very early years that was exactly the case. A little later, we might play two separate teams that would later merge, see examples below.

In the modern era, from the mid-90's and later, playing the same team twice would indicate that we played in both in the regular season and the post-season.

"DuBois" includes DuBois, Sykesvile & Reynoldsville.

"Mifflin County" includes MCHS, Lewistown & Indian Valley High Schools

"Central Mountain" includes CMHS and Lock Haven High Schools

"Philipsburg" includes POHS, and Philipsburg and Osceola High Schools
